

I Resolve to.....

I resolve to make the best of whatever comes my way each day

I resolve to smile daily, even if it's through tears

I resolve to encourage my family to be their best, even when the worst is flooding our world

I resolve to enjoy the success of others and encourage them to keep pursuing their passion

I resolve to treat others the way I want to be treated, no wait... BETTER than I want to be treated

I resolve to be kind to those who are the meanest

I resolve to listen to my heart and not feel guilty for doing things for myself

I resolve to do what I can with what I have and enJOY it

I resolve to read a book a month (or listen...as I love audio books)

I resolve to be a positive force

I resolve to use my strengths without worry about my weaknesses may come across

I resolve to allow my heart to sing freely

I resolve to find beauty in the Ordinary

I resolve to laugh daily....regardless (hey, if I'm gonna cry often, I may as well laugh even more)

I resolve to hug freely

I resolve to say thank you to someone daily

I resolve to learn from my mistakes

I resolve to face difficulties with courage

I resolve to let those in my world know just how important they truly are

I resolve to continue to be Matthew 5:16

I resolve to be compassionate

I resolve to let the hurt & disappointment that surrounds me to make me more determined

I resolve to keep taking the next step, even when I can't see the path

I resolve to love, and do so freely

I resolve to celebrate the good, forgive the bad and enjoy the moment

I resolve to change what I can, fix what is wrong & find the good in the rest

I resolve to reflect on the blessings of the day at the end of the day

I resolve to celebrate small victories and push onward through challenges

I resolve to be content with what I have, while striving to improve where I can

I resolve to not allow circumstances to dictate HOW I live

I resolve to not allow guilt to eat at my heart

I resolve to stop and smell the roses when I'm near them

I resolve to believe that I'm enough and not compare myself to others
