

To HIM...It All Matters

Dear Lord Jesus

As big as my problems are

As big as my fears are

As big as my doubts are

Help me to remember that YOU are bigger

As big as my dreams are

As big as my needs are

As big as my desires are

Help me to be reminded every day that you are bigger

Help me to be reminded every day that you know what I need

Help me to be reminded every day that you want us to live abundantly

Help me to be reminded every day that you are in control

Help me to be reminded every day that you see every tear...and they matter

You see my fearful heart and it matters

You know when I'm discouraged and it matters

Help me to keep trusting you when I don't understand

Help me to keep following you when I can't see where the next step is going to take me

*Help me to remember just how great YOU are, just how mighty you are and just how much you LOVE me
Don't let me forget these things; keep them close to my heart, so when the fear pops in and the tears flow I know instantly that YOU have me.*

*You've got me and you are going to keep me..... and it all matters to you.
In Jesus name Amen*
