

Back to School

With Spreading Joy

Each year we desire to help reduce the number of children that have to walk back into school with old backpacks and are missing the essential school supplies that are necessary for a successful school year. This year, with your help and help from those who have a heart for children that can't possibly repay your kindness, we desire to give out 500 backpacks with the following items in each one.

\$2 DAY – JUNE 30, 2012

We are looking for 2000 people to simply give 2 bucks on June 30th 2012. 100% of your gifts will put essential supplies in backpacks! Ask everyone you know. Get children involved and JOYn 1,999 others in doing something HUGE this year!

If you can give more, please do 😊
